

§ 532.269

5 CFR Ch. I (1–13 Edition)

(d) The data collected in a special wage survey shall be considered adequate if there are as many weighted matches used in computing the non-supervisory payline as there are employees covered by the special wage rate schedules.

(e) Each survey job used in computing the nonsupervisory payline must include a minimum of three unweighted matches.

(f) Special schedules shall have three step rates with the payline fixed at step 2. Step 1 shall be set at 96 percent of the payline rate, and step 3 shall be set at 104 percent of the payline rate.

(g) The waiting period for within-grade increases shall be 26 weeks between steps 1 and 2 and 78 weeks between steps 2 and 3.

(h) Special wage schedules shall be effective on the same date as the regular wage schedules for the Puerto Rico wage area.

§ 532.269 Special wage schedules for Corps of Engineers, U.S. Army navigation lock and dam employees.

(a) The Department of Defense shall establish special wage schedules for nonsupervisory, leader, and supervisory wage employees of the Corps of Engineers, U.S. Army, who are engaged in operating lock and dam equipment or who repair and maintain navigation lock and dam operating machinery and equipment.

(b) Employees shall be subject to one of the following pay provisions:

(1) If all navigation lock and dam installations under a District headquarters office are located within a single wage area, the employees shall be paid from special wage schedules having rates identical to the regular wage schedule applicable to that wage area.

(2) If navigation lock and dam installations under a District headquarters office are located in more than one wage area, employees shall be paid from a special wage schedule having rates identical to the regular wage schedule authorized for the headquarters office.

(c) Each special wage schedule shall be effective on the same date as the regular schedule on which it is based.

§ 532.271 Special wage schedules for National Park Service positions in overlap areas.

(a)(1) The Department of the Interior shall establish special schedules for wage employees of the National Park Service whose duty station is located in one of the following NPS jurisdictions:

- (i) Blue Ridge Parkway;
- (ii) Natchez Trace Parkway; and
- (iii) Great Smoky Mountains National Park.

(2) Each of these NPS jurisdictions is located in (*i.e.*, overlaps) more than one FWS wage area.

(b) The special overlap wage schedules in each of the NPS jurisdictions shall be based on a determination concerning which regular nonsupervisory wage schedule in the overlapped FWS wage areas provides the most favorable payline for the employees.

(c) The most favorable payline shall be determined by computing a simple average of the 15 nonsupervisory second step rates on each one of the regular schedules authorized for each wage area overlapped. The highest average obtained by this method will identify the regular schedule that produces the most favorable payline.

(d) Each special schedule shall be effective on the same date as the regular schedule on which it is based.

(e) If there is a change in the identification of the most favorable payline, the special schedule for the current year shall be issued on its normal effective date. The next special schedule shall be issued on the effective date of the next regular schedule that produced the most favorable payline for the NPS jurisdiction in the previous year.

§ 532.281 Special wage schedules for divers and tenders.

(a) Agencies are authorized to establish special schedule payments for prevailing rate employees who perform diving and tending duties.

(b) Employees who perform diving duties shall be paid 175 percent of the locality WG-10, step 2, rate for all payable hours of the shift.

(c) Employees who perform tending duties shall be paid at the locality WG-10, step 2, rate for all payable hours of the shift.

(d) Employees whose regular scheduled rate exceeds the diving/tending rate on the day they perform such duties shall retain their regular scheduled rate on that day.

(e) An employee's diving/tending rate shall be used as the basic rate of pay for computing all premium payments for a shift.

(f) Employees who both dive and tend on the same shift shall receive the higher diving rate as the basic rate for all hours of the shift.

§ 532.283 Special wage schedules for nonappropriated fund tipped employees classified as waiter/waitress.

(a) Tipped employees shall be paid from the regular nonappropriated fund (NAF) schedule applicable to the employee's duty station.

(b) A tip offset may be authorized for employees classified as Waiter/Waitress. For purposes of this section, a tipped employee is one who is engaged in an occupation in which he or she customarily and regularly receives more than \$30 a month in tips, and a tip offset is the amount of money by which an employer, in meeting legal minimum wage standards, may reduce a tipped employee's cash wage in consideration of the receipt of tips.

(c) A tip offset may be established, abolished, or adjusted by NAF instrumentalities on an annual basis and at such additional times as new or revised minimum wage statutes require. The amount of any tip offset may vary
